Oklahoma Physical Therapy Foundation

2025 Annual Report

Dr. Lynn Jeffries

In 2003, a group of physical therapists formed the Oklahoma Physical Therapy Foundation (OPTF). Dr. Lynn Jeffries was a founding member and continued to serve the Board of Directors until her death in 2025. Her last gift to the Foundation was to establish the Lynn Jeffries Memorial Fund with $40,000. This allows the OPTF to receive distributions from this newly endowed fund. We will greatly miss Lynn.

OPTF ENDOWNMENT FUND

The ending balance of the OPTF endowment for 2025 is $336,728. The endowment is housed with the Oklahoma City Community Foundation. The pooled fund performance was 12.9%.

Including Dr. Jeffries' gift, the endowment grew by $60,000 this year.

The 2025 distribution for grants and projects included a gift to OPTA and the Nate Waters Physical Therapy Clinic.
